

Notice of Public Consultation Meeting

Osgoode Area Program and Attendance Boundary Review

Over the past few months a locally-formed working group has been meeting to discuss potential solutions to address enrolment pressures at Castor Valley ES (2630 Grey's Creek Road). The group also examined a number of other areas related to elementary accommodation.

A Public Consultation Meeting will be held to seek feedback on proposed solutions. Input received at the meeting will assist staff in developing their recommendations to the Board. Some of the specific areas we will be seeking feedback on include:

- proposed solutions to alleviate pressure at Castor Valley ES for September 2018; and
- a revision to Middle French Immersion program attendance boundaries in order to better align feeding patterns for students residing in and around the village of Osgoode.

To find out more and provide your feedback, please plan to attend this important meeting to be held:

**on Wednesday December 13, 2017 at 7:00 p.m.
at Osgoode Township High School, in the Cafetorium
2800 8th Line Road, Metcalfe**

At the meeting there will be a brief presentation by Board staff, followed by a Question & Answer session. Staff will be available to answer questions on an individual basis following the meeting. An information package providing details of the review and the proposals will be available at the meeting.

Additional information about the review and how you can provide input can be found at:
